**Re: Dr Liang Li – International Exchange Project - IES\R3\183069**

To whom it may concern:

We are writing to confirm that we support the School's request for a 12 month no-cost extension to this exchange project between the University of Hertfordshire and Waseda University (Japan).

Unfortunately Covid-19 restrictions in Japan during 2022 severely limited international travel between the UK and Japan which means that additional time is required to complete the project's objectives. The proposed end date for the project is now 16 March 2024.

Please do not hesitate to contact Dr Li or myself should you have any further queries.

With best wishes,

Yours faithfully

Mrs Elizabeth Nolan  
Director of the Research Office
